“ I offer my condolences to my family. I will truly miss my aunt. I remember when I was 10 years old and would take her salem ciggarettes.I am sorry I can't be there. Love you all.

To My Aunt Letha (babysister)

God looked around his Garden and found an empty place.
He then looked down upon his earth and saw your loving face.
He put his arms around you and lifted you to rest.
His Garden must be beautiful, he always takes the best.

“ Aunt "Baby Sister" what can I say. There is none like you. The only Aunt I know who could grab the attention of the entire room the moment she spoke. With love and kindness you kept the whole family in line. I'm honored to have shared a trait of giving birth to "twins" with you. Thank you for the motherly advice. Auntie you will be greatly missed, your voice, demeanor, grace, poise and love. I love you, Jadice###imported-begin##Jadice Whittle###imported-end##

“ May God Bless you all in your hours of sorrow. Letha will be sincerely missed! I'll always remember her quick smile and unmistakable laughter, always willing to lend a hand and her no nonsense lets-get-it-done style. I've had the pleasure of being a friend and having her as my confidant for over 20 years, she was my big sister, the sister I never had! The Good Lord is sure to say to her, "Well done my good and faithful servant", for she was a Godly woman. Rest in peace my friend, til we meet again!
