“ I would like to extend my sincere condolences to the family and wanted to share a message of comfort. It seems so unfair that death should have the power to take away our loved ones in the blink of your eye. And when it happens, the thought of never again being able to talk to, laugh with, or hold our loved ones can be most difficult to bear. That pain is not necessarily erased by being told that our loved ones are up in heaven. Please assured that you will see Lois (Granny) Stubbs again one day to pick up where you left off with all the affection as if she never left you. May you find strength in God's promises during this difficult time and the days to come, and remember all the times you spent with Lois . Almost everyone at Flagstar Bank called Lois, GRANNY, she had such loving, sweet and and gentle spirit, I'm going to miss her for now and hope to see her again in heaven. “ Ladies,  
I've known your mom since my first day at Flagstar and we grew closer every day since. Lo-Lo, GG, I loved very much. We would talk about everything and joke along the way. She was very special, wise, kind and loving. I have sooooo many great thoughts of her and I know that she has touched my life in many ways. She is the smiling face and words of wisdom that would greet us all every day. I miss that most of all, just Lois being Lois everyday.##imported-begin##Lynn Cliett-Henderson##imported-end##
