“ *Grand, I will always cherish "our" memories. You will forever be in my heart and dreams. I will always remember the good times we had together as Grandmother and Grandson. The lord blessed you in so many beautiful ways, one was looking after me. I am so thankful.*

*I know that you will still look down with that loving smile at me from the heavens like u always did before. I will feel your presence with me every day from here to eternity. Love your Grandson
