“ Mrs.Louise Burton you will truly be missed. We surely enjoyed you. You made yourself seen and heard. We respected you for that. I will always remember you for all the tips you gave me for ants in the house, keeping mosquitos away from children. We remember you painlessly pulling out stingers from bee stings my family got one year. I thank you for all the helpful tips on how to get rid of headaches, etc. I get a smile on my face for your sharp tongue putting people in their place and most of all for loving my children as they were a part of your very own family! Mrs. Louise Thank You!!!!###imported-begin##Denise Snipes-Denham###imported-end##
