“ *I am a coworker of Lydell's at american axle mfg. I admire the
strength and courage she had to fight back when management
came against her, this was something they did all the time. she was
a fighter, she loved her children, she was a real sister girl, she didn't
play. I liked her, I was so sorry to hear of her passing. I will miss her.
may God bless her family and I pray that God will heal the pain in
you hearts. God Bless You##imported-begin##Laura

Although it has been 9 years to me it seems like a lifetime , Lydell was my friend , i remember when we first met on Young St., We were neighbors and at that time she only had Dominique. We became friends and remained that way even after i moved to Alabama in 2002, we always called each other on our Birthday's mine was Nov.13. I still cry over the way that I found out she had passed away and that no one took the time to notify me. I miss you girlie and you know that if I had known you were sick I would have been on a plane in a heartbeat. IOVE & MISS YOU. (Gloria)
