“ Hey Grandma! Well you have both of your youngest Uncle David & Aunt Cookie. Man, I miss her. She was the best Auntie ever. So much has happened so many secrets have come to pass...I just wonder if you knew? I don't think you ever put it together, but I do believe Alfred did. Guessing my mother didn't want to disappoint or have anyone look down on her, she came up with a plan. Hum, I guess there is no good time for it to have come out. Her selfishness is amazing as I've let her make a choice. She has chosen no relationship. Looking back on it, I guess there never was one. Convience and liability is what I was to her. Humm, so that was the feeling I was having growing up?? But, I'm okay. Better off without her. Just needed to get that off my heart today. Love and Miss you. "Kimi"

“ What a blessing it has been to have someone for 84 years. This Christmas Grandma/Hallie has received the greatest gift one can receive. Thank you for showing us all what it means to be a true Women of God. Thank you for the life's lessons of being strong and following dreams of becoming a people. Each generation should get and do better, than the last. Therefore Grandma/Hallie has given us All something to go after. Rest in Peace Grandma, until we meet again.

*Love you Always,

“ To: Our Great-Grandma Halle

We were truly blessed to have had the opportunity to know and love such a strong, caring, and beautiful woman. There is no way that we could have been blessed with a better great-grandmother. It is sad to lose such an inspirational woman & grandmother, but it is a blessing to know that you were ready to go home and be at peace with the lord. Thank you for all of your love, and the lessons of life that you taught us. We will truly miss you.

Love Always,

Nicole, Jessica, & Darius ❤️##imported-begin##Nicole, Jessica, & Darius##imported-end##
