“ Aunt Nan, OMG!! Where to start..You never know how much a person means to you until their gone. I thank God for being able to tell you i love you before you left this earth. I also want to thank God for blessing me with a family that represents God cause i know without a shadow of doubt that i will see you all again. I remember you when you use to come to orlando and you were like a another grandmother to me, and appreciate that. I am going to miss all the kisses and hugs you gave me, but most of all your presence. I Love You aunt Nan R.I.P###imported-begin##Miranda Felton##imported-end##

“ Auntie!!!! I love you and miss you!!! I know that you and Endia are up there having a GREAT time praying and sining. She probably don't know how to act now that her sister is there. (because she sure didn't when you came to FL)
THANK YOU! for loving me as she would when she left. I will never forget how you stood by my side and rubbed my back as I cried across the bed the night the Lord called her home. You comforted me, you loved me, you prayed for me...and in my greatest triumph you were there..standing in the exact spot your sis would have stood in. You are an exceptional woman, mother, grandmother, and AUNT. I will always praise God that you were in my life...without you there my day wouldn't have been the same...God bless your family I will love them like you loved me...Don't worry, I will take care of Ivy and tell my Granny she's taking care of me....##imported-begin##Jemier Jenkins##imported-end##

“ My prayers and love goes to the entire Sneed family. I did not know Grandma Sneed personally, but speaking with her grandson, Lamantis. She was a woman of honor and wisdom. Though she will greatly missed, let's celebrate her life and beyond. Right now she is in heaven looking in the face of Jesus and in the bosom of the Father.##imported-begin##Dennis Crawford III##imported-end##

“ Vassa,

Our prayers and thoughts are with you and your family. Vassa I never met your mother but knew all your sisters and I know that your mother was God fearing. I remember the stories you use to tell use about her, church and her God. She raised you and your siblings to be God fearing also. God's word tells us "to be absent from the body is to be present with The Lord". We as christians know that she is with The Lord and if we live by and obey his commands we will see our love one again. So remember the good times you shared with your mother and just know you will see her again.

Much Luv

“ *To the family of Mrs. Sneed:*

We at Second Baptist church of Penn Hills, Pittsburgh PA. were sad to hear of the passing of your love one that we fondly referred to as our "Detroit member". The Jones, Sister Bobby and brother Ted, are truly servants of the Lord and we are blessed to have their support in our congregation.

“ *To the Sneed Family*

We were very sadden to hear of your mothers homegoing. She will be greatly missed. There are so few women like your mother, a ver godly woman in every-way. We are so grateful for the pleasure of meeting her and staying in her home, which gave us a sense of who she was, very kind, generous, loving and genuine which is so rare. she shared so much and she will never be forgotten. May all who knew her honor her by living our lives as she did! Praise GOD for the hope of seeing her again. You all were so blessed to have had a mother, grandmother and aunt who loved the Lord and shared that love with so many. praying for you all,

“ John 14:1-4

Let not your heart be troubled: ye believe in God, believe also in me.

In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also. And whither I go ye know, and the way ye know.

Your love one is home with her LORD & SAVIOUR and heaven is rejoicing! She has arrived at "NO MORE" no more suffering, pain, affliction, no more worrying, crying she is in a perfect place.##imported-begin##Pamela Anthony##imported-end##
