“ *Yvette and family, I hope that the Comforter is present with you during this hour and that you remember that LOVE never fails! Your mother loved you all soooo much, her love is strong and warm and lives in each one of you and with that, please know that her love has life and will never die. Let her spirit of love rise up in you as you remember her and celebrate the warmth and goodness that was her life. I love you and my prayers are with you.##imported-begin##Willonne Wilson##imported-end##*
