“ *To the Rooks Family:*

My name is Jerry Jones, a native of Starkville, Mississippi. I was sadden to learn yesterday of the transition of Marva.

I grew up with Marva and we attended the same high school. Her first husband, Roosevelt Sherman was my classmate. Marva and I stayed in touch over the years and we would see each other in Starkville at school reunions.

She spoke fondly of her daughter, who was a Chef on the Gulf coast of Mississippi nad I had plan to visit the area and sample some of her cusine. But as you know the hurricane hit and wiped everyhing out.

We are all happy now that Marva is in a better place and all of you are in my thought and prayers.

May God bless you!

“ To Our Marva,

*Marva, you always made me laugh. So fun to be around. You always said what was on your mind and I never had to guess what you were thinking. You have guided me through some tough times and I am grateful and very blessed to have know you.
Peace Be With You My Marva.*

*To Marva's Family,
I hope that you find comfort and happiness in knowing that your beloved one has touched the lives and hearts of so many others and gave them the eternal gift of many happy memories.
While we are mourning the loss of our friend, others are rejoicing to meet her behind the veil.

“ Lani, Kecia & Quail, what can I say? You know how very much I loved your Mom. She's special to me and will always have a place in my heart. Marva and I had a wonderful time laughing and clowning each time we spoke or spent time together. Thank each of you for allowing me to share your mom and the blessings that she offered. It is my prayer that at this difficult time you are engulfed with the love, support and smiles that Marva always gave to offers. Know that weeping endureth for a night but joy certainly will come in the morning. I am here for you and I love you all very much. I will sign off with the name that your Mom gave me & only she could get away with....love Lizzy###imported-begin##Melissa McGhee###imported-end##
