“ To: Solomon Family

Know that you are never alone. You cannot see God, but you can see his artistry in the starry midnight sky. Look at God's track record along your journey, and decide that you will continue to trust him. Walk away from doubts and fears, and run with a new confidence for the trustworthy one runs alongside you.

Love you all.

“ We made going to the Doctor's office fun! And hearing the stories you shared with me about Ricky and Debbie allowed me a unique peek at their lives growing up and showed just how proud you are of both your children. You will truly be missed Ma but we know you are at peace in God's Great Hands. Chuck said he's sorry he never got over to fix your light switch for you. Know you were loved.
