“ *To the family of Mrs, Darling. She was a very special person, the way she protected our kids in the halls of C.A.Y. I will always remember her fussing with love at the children and sometimes the parents{lol}. We as parents could not have asked for a better overseer of our childrens. Four of my children are over 18 and they loved and appreciated her genuine concern for them. She will truly be missed. I Thank God for her presence in all of our lives,my thoughts and prayers are with Du'wan and Sonyett.##imported-begin##Mieshell Oliver,warren william, justin, stanley and summer##imported-end##*
