“ *Mrs. Mary LaFrances Carmichael- Dial*

January 21, 2023 at 09:34 PM

“ *We would like to express our condolences and deepest sympathy to the Dial family. Quantis, you and I grew up together on the block and we've shared many, many fun memories with the entire Montrose Block Family where your mother opened up her home to all of us for pizza parties, sleepovers and just plain fun. She was the coolest mother on the street and we all loved her as well as spending time at your house. We will miss Mary dearly, and it's our prayer that your hearts are comforted in your time of loss. She left a great mark on many, many people.##imported-begin##Heraschel(Ray)& Ayana Carodine##imported-end##*

“ Quan, I will always remember how much fun your mother was when you were (as they say in the Air Force)in the hanger. It's not that she didn't work hard, she just felt that fun and work could be combined, which she always did. I think that she did a terrific job when she raised you through those troubled growing up years. You can be very proud of your mother and I'm sorry that I can't be there in person to tell you that.##imported-begin##Jim Sgrazzutti##imported-end##

“ Momma Dial will be missed and I remember a couple of things that will always stand out. During summer football practices, Quantus and I would go up to her job and she often had left-overs from lunch. The 'greedy me' was always ready to eat and Momma Dial knew me well and told me to take whatever there was. I'll remember her loud, crazy and always happy laugh whenever she talked about pretty much anything or was just clowning around with us. She was 'Momma' to the soul and I'll remember and cherish that. Our deepest condolences go out to all whom has known Momma Dial, a wonderful lady.##imported-begin##Robrandon and Nikki Bee##imported-end##
