“ *God's wonderful man. A woman who was an eyewitness to the account of history in the making God bless your family. I was just excited to that she had lived to be over 100 years old. My apologies!###imported-begin##A Friend of God###imported-end##*

“ *What a wonderful blessing this man must have given to many to have lived to be over 100 years old. He lived through slavery and lived to see the election of the nation's first African American President of the United States of America. I hope his spirit will be a blessing to all that new him and his offspring. Praise be to God in the highest!###imported-begin##A Friend of God###imported-end##*
