Your mom's celebration of life was beautiful. As her pastor remarked "her eulogy was spoken as each family member and friend reflected on her contributions to their lives. “ *Brother Barron:*

We are deeply saddened about the passing of your Mother. We both have lost all our parents so we can certainly relate to how you must be feeling. Take joy in know that you had the pleasure and honor to have many years with her, and that those wonderful memories will last you forever. God knows best and our life on this temporary place that we call "Earth" is according to his time table and his plans. God will be with you during these difficult moments and you will be in our prayers.

“ Baron,

My thoughts and prayers are with you. One of the first Bible Verses my parents taught me was:

John 3:16

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

It wasn't until many years later that I came to understand the full significance of that sacrifice... May the knowledge and promise in those words help you find peace.##imported-begin##Marvin Raglon##imported-end##
