“ *I regret that I never personally met Mrs. Murray. She was the favorite Aunt of my dearest friend Lorraine, who often shared stories of her greatest moments and most treasured memories of times they shared together. She truly seemed to be an extraordinary woman. I would like to express my sincere sympathy for your loss. My thoughts and prayers are with the family. God bless you all.##imported-begin##Kimberly Bell##imported-end##*

“ *To My Detriot Family: My thoughts are with all of you during this sad time. Taji, I, Leonard, Nick and Christopher want you all to know we Love you and are with you and spirit. While I was able to meet Grandma Merridihe 1n 2000, and somewhat breifly, I now fully understand where my love of golf and activity truley comes from. That time in her life reminded me how important it is to take every day given, and enjoying it to its fullest. It also reminds me of how GOOD GOD is. Many of us don't have the opportunity to meet those from which we come. For this opportunity I am grateful and am a stronger MAN. Thank you GRANDMA.##imported-begin##Leonard Bates##imported-end##*
