“ *I just accidentally came upon this death notice while looking for someone else. As you see, my last name is also "Flowers." I worked for 15 years in the Hem-Onc Department at Henry Ford Hospital. I used to go down to pick up the pastries and coffee cart for our weekly staff meetings and met Minnie this way. When we realized that we shared the same last name, we immediately had a wonderful connection! Even though I am Caucasian, we knew we had to be "long lost relatives." She was the most wonderful friendly person who insisted that everything be "just right" before I would take that tray out of dietary. She was a true asset to Henry Ford Hospital all those years. We stayed in touch at Christmas time with a card and note. I am so sorry that such a sweet woman has died. Margaret Flowers, RN##imported-begin##Margaret Flowers##imported-end##*

“ My sincere condolences to the Flowers family. May the God of all comfort ease your mind and heart in the days ahead. Jehovah has promised a resurrection of the dead (Acts 24:15) and he promised, the time is coming when "...death will be no more, neither mourning, nor outcry nor pain will be anymore". (Revelation 21:3.4) Mrs. Flowers and many others have the opportunity to be resurrected to life on a paradise earth soon to be. God cannot lie (Titus 2:1). It's as good as done! Keep His words close to your heart as you treasure the memory of Mrs. Flowers.##imported-begin##Liz##imported-end##

“ My heartfelt sympathy goes out to the family of this wonderful woman. She always kept in touch with me after my mother, Minnie Reynolds, passed. She was especially helpful to me when I was sick. I will miss her, but I know where she's at and will see her again.##imported-begin##Pamela (Reynolds) Williford##imported-end##
