“ *My heart goes out to you, I keep you in my prayers that you will find comfort in the days to come. Know that the Lord is with you all. We have lost an angel, one who touched many lives and who was a comfort to so many who called her friend. She had the gift of boundless love and freely let that love flow out into the world. I will miss her always, she will be forever in my heart.*

“ Dear Family,

This time is very strange for me because there are some people you always expect to be around. I take comfort in knowing that God doesn't make mistakes and that He loved Rene'more than we ever could because he made her. We have precious memories that we'll have forever of good times shared. Rene' loved and lived for her family. She demonstrated the scripture that speaks of 'love covering a multitude of faults.' She loved us in word and deed and was the epitome of a loving wife, mother, sister, daughter, grandmother, friend, cousin, niece and whatever else she needed to be. I'll treasure her memory.

Love,

“ Rene

webster defines our being related as cousins but you were more you were like a sister and most of all my friend.As I reflect on conversations we had over these past weeks when I tried to convince you into doing what I thought was best for you,you showed your famous stubborn streak and said I am not doing anything until I am ready.so that is what I take comfort in, you were ready. I can still hear you as we were about to hang up "Dont worry Nina I am not going to leave you.that is so true your sprit will be with me always love you

“ I want to express our sincere sympathy for the loss of your loved one. You can be assured that comfort and hope are found in the pages of the Bible. Revelations 21:4 speaks of a time when sorrow will be no more. This is a wonderful hope during our times of grief and pain. Please take care of yourselves.
