“ I had the privilege of working within 15 feet Nicole for the entire time she worked at SBC. We talked every day and became good friends. We had deep discussions on subjects from life, Christianity, and even problems at home. I am comforted in knowing that she knew God and that she is with Him right now for all eternity. I'm also comforted in knowing that I will see her again someday. She will be greatly missed and NEVER forgotten.##imported-begin##Steve Price##imported-end##

“ My heartfelt thoughts and prayers are with you as you struggle through this extremely difficult time. Nicole was unexpectedly taken away from us, but she has left the best parts of herself behind in her children and in everyone whose lives she touched. Her kindness, joy and vitality will live on in our memories. Since we cannot have her back, may God's love give us some comfort and peace until we can see her again in heaven. “ Nicole-  
*What can say I say??? You were a bright, funny and easy going person. Every time I talked to you I would laugh so hard and loud I thought Debbie would be at my desk any minute. We talked about work and life in general. We laughed about everything. I didn't know the answers to some of your questions but God always guided us in everything...I will truly, truly, truly miss you.*
