“ *To the Johnson Family,
Words can not express our deepest sympathy for your family at this time. We hope this thought and words of encouragement will help.
"And just at that moment, when someone at my side says she is gone, there are others who are watching her coming over their horizon and other voices take up a glad shout - There she comes! That is what dying is. An horizon and just the limit of our sight. Lift us up O Lord, that we may see further.
