“ There are no words I can say that will ease your feelings of loss, but God's word realms.

*"There are many rooms in My Father's house and I am going to prepare a place for you...so that you will always be with Me where I am" John 14:2, 3 NLT.*

*To every foloweer of the Lord there comes a time the voice of God will say, "Welcome Home". There is special comfort in knowing that the words "welcome home" have been heard in heaven. Your Mother is embraced with God at home in her Father's house. My prayers are for all of her earthy family to find strength and faith in Our Father.*

*With God's love,

“ In this time of bereavment, it is with deep regret that we share in your families loss. We do not know how to handle a loved one leaving us. We have sat in the same seat before and we feel so much apart of your family. We have learned that God knows what we don't know. But in the words of our Lord, "To be absent from the body, means to be present with the Lord". It is our prayer that you find comfort in these words.

*-God Bless###imported-begin##Denise, Shaquinta, and Ben##imported-end##*

“ To Pat & Gordon Thank you both for all the wonderful teachings that you all shared with us,you will always have a very special place in our hearts.

To my sister's and family,yes we shall shed tears of joy for Mom & Dad for now they are together in heaven. Just rememeber that while they were here on earth that they were the best parents and family that we could have ever ask for. We shall always have our memories,I know that I'm a cousin but they were my parents too! Everytime that I was in their present I was bless. We are family!

To my Sister's stay strong and be proud,because you ladies came through and picked up the slack when ever Nana needed it she was able to smell her Roses right here on earth. So " Keep your heads to the Sky "! For you ladies are very special too. All you have to do is look inside and pull out the lessons that Nana taught you, and you will see your way through anything. You have the Lord, our family & friends for support. Thank you for taking such good care of our " Nana ". Rememeber that We're just a phone call away.

With all our Love
