“ Candice and the Yopp Family,

Sadly, notice of the loss of your Mother came late. We worked together with your Mom many many years at Detroit Edison. We all loved Pat and were "one big family" at work. I can remember both you and your Brother visiting the office from the time you were a young child, through graduation from high school.

Please accept our collective condolences, and know that you and your family are kept in our prayers.##imported-begin##Richard Talbott and Friends##imported-end##

“ May the hope at Isaiah 25:8 bring the Yopp family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##
