“ Jamaiya you and your family are in my prayers during this difficult time. Others may see this as a joyous time because mom is no longer suffering. Sista to sista, I relate to you as a sister because I'm going through what I call worse, because I'm watching my mom suffer as I write. I'll be calling you. You are always on my mind for the good times we had at Genesee DHS as well during this time. GOD is ABLE and when we feel we are walking alone, it's GODS Footprints that we see in the sand. “ To Debi and family know that I am praying with you in your time of need. Know that I love you and I am just a phone call away. Keep praying and stay strong. We know God will see you through this. Remember God said to be absent from the body is to be present with the Lord.##imported-begin##Tasha Daniel##imported-end##
