“ *To the family of Mrs. Johnson, especially Anita Powell and Eugenia Johnson:*

*I knew Pat for several years through work with the Michigan unemployment system. She represented claimants in my hearings regularly. Pat understood the system intimately, she was a very good advocate, and she brought grace and dignity to each of her hearings.*

*She was respected by her peers and adversaries. I personally felt relief when I reviewed a file and saw that Pat was the scheduled claimant's representative, because I knew that she would represent her client effectively and professionally.*

*I will miss Pat. Please know that you all are in my prayers.*
