“ Sending my condolences. Let this be a time to remember all the good things and joy that Mrs. McGhee brought to all our lives. Celebrate her homegoing and let her go home. “ God has earthy angels and I thank the Lord that one of my angels was Ma. I found love, an unconditional love that as an adult I can only be so thankful for. To have someone open up their arms and their home and be willing to share everything they had with a child who had nothing. Ma, I want you to know what an impact you had on my life and my womanhood. To witness a woman as yourself being so strong for yours, gave me such an understanding about my own life and family. You taught me to never be ashamed of who I am and where I come from and that struggles only make you stronger. You taught me about love and the concept of sharing. Ma, I want to thank you for allowing me to be a part of your family and giving me hope that my life would be better. I will always love you and you will be so missed. My heart grieves but I know you are in a better place. YOU ARE HOME!##imported-begin##Robin Wright##imported-end##

“ Its hard to say goodbye
When my heart continues to cry
When i open my eyes and i know i cant see you
When i remember that memories are all that i have left of you
and i try to rejoice because god has called you home
But how can i truly be happy when calling you means leaving me alone
I guess i just thought that you would always be around
Never imagined how i would feel once that fantasy let me down
But i woke and this is reality..and you are really gone away
I guess all i can say is I LOVE YOU granny
Your always in my heart to stay

“ Ma! From the first day i met you, you have always had my back,I will always remember that. We've been through so many hard trials together and God has brought us through each and every trial. For some reason God saw fit to split our paths, even though I was miles away I never stop praying for you and I know you prayed for me. Thank you for helping me and Slick with the beginning stages of Diamond and Tae-Tae lives you were there for them the best way you knew how to be. I pray that they grow up to make very proud of them. Ma I know when you open your eyes in Glory you will be so happy to see Jerry, Slick and Love please do me a favor let them know I miss them soooooo much. Ma i'm tell you like I use to tell Slick I Love you NO MATTER WHAT!
