“ *I really thought I had more time... I really thought that I'd be able to call you up and tell you how much I miss the times that we've had together. I really thought I'd be able to come in town and see you, come by and laugh about all that has happened. I really thought that I'd be calling you soon to tell you that you were right and that my Boaz was finally here and then you'd make everyone laugh by telling some crazy joke about him not having GPS and that's why it took him so long..... I just really thought I had more time.... Just know that I truly loved you.... Tamika Cheree##imported-begin##Tamika Cheree##imported-end##*

She was great and personable! It was a fantastic show. Although we
didn't cross paths as much, she was still a comrade in arms who I
respected. Well wishes to the family. We will miss you funny lady,

“ To the family of Phenecia,
My heart goes out to you all, but yet I know that she is with our Lord! Two weeks before she passed, I was blessed to visit with her. My friends and I went there to check on her after her husband passed. I thought that I would need to encourage her. But in the end she blessed me mightily! Her testimony and strength inspired me in so many ways. She made me laugh (as always), but she helped me to see the importance of living & serving God now! There's no time to delay in doing those things that God has called you to do. Phe will be missed, but I'm grateful for the time God has allowed me to know her. If there's anyway that I can be a blessing, please let me know.
Much love,
Tershia

“P”... The first time we sat down to talk, not only did we connect spiritually, we both knew that a friendship had been formed. Although short, I thank God for the times that we did talk with each other as u were such an inspiration. The sound of your voice will always ring in my ear, as I just heard it a few short days before you went to be the Lord. To Char, Karen and the entire Banks family, "The Peace of God which surpass all understanding, shall keep your hearts and Minds through Christ Jesus" May He be your strength now and the in days to come. Our Prayers are with you!###imported-begin###Regina Whittler###imported-end###

“ Phenecia traveled with the most amazing worship team around the world, to share here gift of dance. When she arrived to her respective destinations, the people of God received so much more. Her amazing smile, contagious joy, great home cook meals, high praise and so much more love. There's a song by Forever Jones that says, "God wants it all today, so give it all!" Phenecia gave her all as often as she could, in ways that pleased God and edified the body of Christ. You will be missed but ALWAYS remembered.###imported-begin###Rev. Eyesha K. “ May the hope of Psalms 34:18 bring the Banks family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##
