“ Dear Family: There are few things in life (if any) more painful to us than the loss of a family member, especially a beloved mother. That pain can be almost unbearable, striking the core of our very being, and we wonder how we can move on without them in our lives. It is at times like this when we need comfort and support from our family, our friends and others like me who, although not knowing you personally, still care. But most important, we need assurance and hope from our Grand Creator that will give us the strength and the courage to move on with our lives confident of better days ahead. Jehovah God assures us of those better days ahead for he promises soon to ‘swallow up death forever’ (Isaiah 25:8) to resurrect our loved ones who are ‘sleeping’ in death (John 5:28, 29, 11:11-14) and to “wipe out every tear from our eyes” because “... mourning, nor outcry, nor pain will be anymore”. Jehovah promises that He’s making “all things new” and not to worry because ‘these words are faithful and true’. (Revelation 21:4, 5). What a beautiful hope and future Jehovah has placed before us, and if we will put faith in God's promises, then our sorrow will not be unrelenting for he assures us again at Titus 1:2 that all he has promised will is (soon) come true. My deepest sympathy to you.##imported-begin##joyce jones##imported-end##
