“ Hey Grandma,
I haven't forgot about you. I think of you everyday. Sometimes I find myself driving thinking of you and burst into tears, they say with each passing day things get easier but its been seven months and im still having a hard time. I'm in so much denial this just doesnt seem real until I try to call and someone else answers or I get no answer or until I go to your house and pull in the drive hoping you have the door open when you hear me pull up but you never came to the door. I have so many questions for you to answer. I miss your touch, your smell, seeing you smiling even when you didnt feel good, I miss you asking me why Milan got that on today why she dont have on an outfit I bought lol you always thought when you saw her she should have on something you bought lol. She misses you too she walks around with your picture all the time. Your picture is sitting in her window for you to watch over her. she knows your her angel now. WE LOVE AND MISS YOU DEARLY. SEE YOU IN MY DREAMS TONIGHT!##imported-begin##Schiantae##imported-end##

“ I would like to send my condolences to the family of Mrs. Mullins. She was a very sweet person and had a heart of gold. I am a friend & co-worker of her daughter, Seena Mullins. Boy o'boy how we both use to come to work and swap laughs about our mothers! She has her angel wings now & she is the wind beneath you that will give you all strength during this time of loss.##imported-begin##TONIA JOHNSON##imported-end##

“ Plesae accept our condolence. James 4:14 said that you do not know what your life will be like tomorrow. You are just a vapor that appears for a little while and then vanishes away, and that is why we get assurance in John 14:2 that said In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you that were i am, there ye may be also. So know that she is resting in the arm's of the LORD.##imported-begin##Deacon & Deaconess Harris##imported-end##

“ To my friend & buddy, neighbor just 1 block over on LaBelle & Lincoln & classmate of HPHS - 1966. My thoughts of you and your brother Grady are all pleasant. I am saddened to hear of your passing but I know if anybody made it into heaven from the class of '66 it has to be you Ruth. You were always so kind and thoughtful. In today's world people are not like that.

“ Dear Family: Although tears of grief and pain cloud your eyes today, may Jehovah's promises of a beautiful future for our loved ones who have died, bring tears of joy to your eyes in the near future. For our God is very aware of the pain you feel and he promises that very soon...'death will be no more'. (Revelation 21:4) Jehovah promises to 'swallow up death forever! (Isaiah 25:8) He will then restore our loved ones to us by means of a resurrection...for His Son, Jesus promised that many sleeping in the grave will hear is voice and COME OUT!!! (John 5:28,29) Do you believe this? (John 11:25,26) May Jehovah's promises ease the pain in your hearts today. Have faith in God's promises soon to come true...for he cannot lie. (Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

“ Grandma, words can't even begin to describe how much I miss you. My mind is racing and I have so many questions that only you can answer. My body is so numb this all seems so unrealistic. I feel as if you are just in the hospital just like any other time and that you will be coming home in a couple of days and we will all sit around the kitchen table as always. Grandma I love you so much and there will never be another like you. you are my lifeline and bestfriend, I don't know what I am going to do without you. Grandma I just wish I could have done something. I wish I would have been there you always talked about me being a medical assistant and how I could always help you. I just wish I could have helped this time. I LOVE YOU SO MUCH GRANDMA AND I WANT YOU BACK. LOVE YOUR OLDEST GRANDAUGHTER AND 1ST BORN GREAT GRANDAUGHTER.##imported-begin##Schiantae Mullins##imported-end##

“ I am so sorry to hear of the loss of your dearest, _____. The Bible describes death as our enemy, but our Loving God promises to undo the tragic effects of death. In John 5:28-29, God promises to resurrect our loved ones back to life. We can look forward to a time when 'death and pain will be no more'. (Revelation 21:4) May God be your true source of comfort and hope during this difficult time, and may you receive the comfort you need to endure the days ahead.##imported-begin##Mrs. Malone##imported-end##
