“ *Revella,*

You're one of those special people that keeps everyone laughing and afloat around our busy, busy office. You are always positive and making things happen! I'm so sorry that your mother passed and that you are saddened and at a loss. Yes, I'm thinking of you, and I know how your heart, head, and entire body just aches & wishes to get back to some normalcy. We'll all take care of you like you have of us during our times of need. Deep breaths and quiet moments of reflection of happier times can only begin to help you heal one day at a time. Thoughts and hugs.... Tamara##imported-begin##Tamara Cronin##imported-end##

“ Mrs. Pugh may god continue to bless you and your family during the loss of your mother.May he hold you all in his loving hands and comfort you each and every day, because a mother's love will never leave you heart!

"Loss of Mother Poem"

Now that I am gone,
remember me with smiles and laughter.
And if you need to cry,cry with your brother or sister who walks in grief beside you.And when you need me,put your arms around anyone and give to them what you need to give to me. There are so many who need so much.

I want to leave you something --
something much better than words or sounds.Look for me in the people I've known or helped in some special way.
Let me live in your heart as well as in your mind.You can love me most
by letting your love reach out to our loved ones,by embracing them and living in their love. Love does not die, people do.

So, when all that's left of me is love,
give me away as best you can.

“ I am so very sorry to read of your loss. When we suffer a loss we
often feel helpless and alone, I know I did. What I found comforting
was encouraging words from Jehovah found at Revelation 21: 3, 4.
