“ Hey Meme!!!

Ruthie Mae Sanders! And yes i called u Ruthie lol! Words cant explain what u mean to me, I cant even fathom a word that explains exactly how beautiful u are. Meme I love u Beyond the Words in any Book, Beyond a Hug that consoles a broken sprit, and Beyond the depths of my Heart. Im glad i got to write u that letter on the post it board in the kitchen while u were alive and well. It made your transition easier to deal with knowing that i got to tell u how much u mean to me. Seeing u in the Hospital was heartbreaking but the fact that u were willing to postpone ur trip to Heaven to stay with us for Another week let us know that u loved us enough to not just up and go but you gave us time to prepare for your Homegoing. I have Sorrow in My Heart but no visible tears because you are exactly where you want to be. I havent been goin to church as often as i should but i have not forgot That GOD is Good and he will take care of his own. Once again Thank You for the Precious time you have invested in me. Thank you for always encouraging me to be myself and no one else. Thank You for bringing me to the Lord and giving me so much love. Thank you for listening and giving me GODs'advice on how to deal with adversity and "the world". Thank You for the dicipline u gave me not because u were mean and unfair but because u loved me so much to let me know "You're better than that and i want to see you do right". Not to say "Im sorry" but "I'll Do Better Next Time". Thank You for the Love and Positive Spirit u kept in Your Household and the Many pictures u have here of your eversmiling face. Thank you for the Many Prayers and Talks u had with GOD about me. Thank you for showing me how to be a "Do it yourself-er", for i will never forget the many projects we've done together around the house. Last but not at all least, Thank You for my beautiful mother shes a blessing just like u. Without her i wouldn't be here telling u how much of an Influence u are on my life. Im almost twenty now and not at all perfect but im am grateful to GOD that u are My Grandmother cuz your love is like nothing else in this world. I'd Trade u For nothing. U are the Backbone of this family so thanks for your support sweetie.I have always admired

your strong will and steadfastness to The Word. U practiced what u preached and didnt jus tell us to do things cuz u said to do so. You never asked for much and rarely wanted for anything. U are a Saint in my eyes and anywhere i go i can proudly hold my head up and say "Im Ruthie Mae's Grandson!". I wish u would have been able to see ur funeral. It was soo live and felt nothing like a funeral to me but 11 O'clock service at church. I know u would have been giving GOD the Glory. lol. I miss u here but i fear for nothing in this world because i know the same angels that looked after u will look after us also. Hope ur having fun up there with everybody and when my time comes in which i pray to GOD that im ready and prepared, i will c u when i get there.

*Your grandson and admirer,

“ Moma, Words cannot express how much I miss you. As I sit here in your room I recall so many memories and laughs we shared. You were not only our Mom but you were our friend. I will cherish you in my heart always.

“ Though words can never quite express the sorrows in your hearts, nor the pain of losing a loved one.
I truly hope that there is some measure of relief in knowing that she lived a Christian life
I share your sorrows.

“ *I am glad that "MeMee" was a part of my life. I thank Jesus that he gave me the opportunity to tell her how much I loved her before he called her home. We were saying goodbye, when I thought we were saying hello again. I celebrate your life and remember the last words of love we shared. Goodbye Mother Sanders.*
