“ To David and the rest of the Avery Family

*May God provide blessings and comfort for each of you.*

*I wish to extend to you all of my condolences and my empathy, for I feel what you feel. I have lost a very dear person in my life. Ruth was a mentor who became my friend, who became my sister. I do not have the words that would allow you to understand how much I am going to miss her.*

*I will miss the special talks that we shared. I will miss her loving ways and her smiling face. But the memories that I treasure will keep me smiling and God will get me through this. Her pain has ceased, and she worries no more. God has provided for her a peaceful rest and I look forward to the day when we will meet again.##imported-begin##DIANA R. WHITEHEAD##imported-end##*

“ It saddens me that you did not enjoy your retirement like you deserve and that you were sick all this time. I remember when you gave me a special oil just before I had my heart surgery in 1999. Had I known you were sick before you retired, I would have done the same for you. I am glad you are no longer suffering, rest in peace Ruth.##imported-begin##Gale Clark##imported-end##

“ Dear Darin - I know your whole family is suffering today but I wanted to take a moment and let you know personally how very sorry I am to hear about your Mother. We have a lot of people come and go in our lives but we only have one Mom. I know she's proud of the wonderful, kind man you have become - you have such a big heart. Again, I'm so sorry to your entire family. Please remember "to be absent from the body is to be present with the Lord". You will see her again, so Heaven just got a bit sweeter.  
My sincerest sympathy - Denise Drake###imported-begin###Denise Drake###imported-end##
