“ *My heart goes out to the Hudson Family and I am sooooo sorry for your lost. I just found out about Mrs. Hudson passing. She was a wonderful woman and a woman of GOD. I would never forget every year Mrs. Hudson planted flowers and made sure her block didn't get to rodwy because everyone on the block respected her. She always gave her time to others helping and doing what she could for everyone in her family. May GOD be with you in your time of need. I will continue to pray for the entire family. I love you all!###imported-begin###Kia###imported-end###*

“ To the Hudson Family: Please accept my sincere condolences on the death of your loved one, Ruth. Although I didn't know her personally, I can still relate to the distress of loosing a loved one, for death has made its presence known to us all (Psalm 89:48). However, you can rest assured that Jehovah God is also mindful of your loss and He cares very much for you (1Peter 5:7). He has already arranged for you (and all of us) to see your loved ones again for He has promised a resurrection for all those sleeping in death in memorial tombs (graves)(John 5:28,29). Death will be destroyed forever (1Corinthians 15:26) and Jehovah will wipe away all your tears of grief and sorrow.(Revelation 21:4). May God's Word bring you comfort in the days ahead and help to make your present pain a little easier to bear.(2 Corinthians 1:3,4) Rest assured, Jehovah God will do all that he has promised.(Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

“ My sincerest condolences to the Hudson family. No matter when a loved one leaves it is always much too soon. May the God of all comfort(2Corinthians 1:3,4) give you the needed strength to endure the days ahead. The pain that we feel in our heart from the death of a loved one is like no other,may you draw close to Jehovah in pray and the Bible promises that "he will sustain you"(Psalm 55:22). May your memories of Ruth (who i did not personally know) be a strengthening aid for you as well.##imported-begin##sylvia colston##imported-end##
