“ Please accept our deepest condolences for the loss of Sandra. We had just met Sandra & Lloyd this summer. What a wonderful, cheerful, true hearted person she was. We only spent time with them a couple times, but enjoyed it very much. She will be sadly missed by many. May the memories of her smile and cheerful ways bring you peace.

“ Earth has no sorrow that Heaven can't heal. I loved working for Sandra and the Communication Department. We had so much fun and the people working in the department during that time was an absolute riot..lol. Of course we were all so much younger! I will treasure my memories of Sandra and her family. I still have her mother's recipe for home made biscuits. To the family I encourage to look to the hills which cometh your help, your help comes from the Lord, he will comfort you during this time. Love you- Denise Davis-Dowell##imported-begin##Denise Dowell##imported-end##

“ My deepest sympathy to the family and friends of Sandra. I knew Sandra for over 30 years, as a fellow employee at HFHS; always so helpful and dedicated to her job. Although we didn't have much contact over the past several years, when we did, it was as if we had just spoken yesterday. I will miss her dearly.

“ May the hope of Psalms 34:18 bring the Dorsey family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.###imported-begin###Ariel###imported-end##
