“ *To my family and friends in Detroit;
I deeply regret not being able to be there with you today, but we are surely there in spirit as we all celebrate the life of Sandra. As a close family, I love all of my cousins dearly, but Sandra always distinguished herself with her loving manner, quiet grace and love of life. Because we were close in age we grew up in our family together and shared many beautiful moments at our many family reunions. I share her loss along with all of my family gathered there today, but we know that her soul is at peace and she resides in a better place now. I feel fortunate to have been able to walk this earth with such a beautiful spirit and now ask that her spirit joins the rest of our ancestors in guiding our lives toward fulfillment of our shared dreams. I wish for our Detroit family, blessings without number and all good things without end.
