“ *Hey Mom!*

Yesterday, November 6, 2011 was a year that we buried you, and still today I miss you it was just like this pain started yesterday. The family is trying to come together. We all miss you so much. I got my Master's Degree now. I really wish you were here to share the joy I had. We love you Momma. I think of your beautiful smile, and its something, when you lose your Mom, its just like you lost everything. The holidays are not the same, and I guess we just have to go for ourselves. Miss you Momma.

“ Heaven

*Written by Wendy V. Neal
(Shirley Ann's Daughter)*

May 22, 2010

*I am willing to let you go
If it means you will finally feel no pain
In your soul or physical being
Putting away my emotions for you to feel your happy again
Being in a peaceful place where true love will never end*

*I am willing to see you fly
High ever so high as high as the angels in the sky
Never roaming this earth as a broken lost soul
Being with our Jesus; Eugene helped you to weather your earthly storm
Your husband meeting you at the gates; caressing you in his strong arms*

*I am willing to ignore what others might say
Only remembering you as the strong woman you were
Before I left home that very day
Telling me to live my life and never look back
To the many pains I once had to endure
Finally opening the happiness to my life's door*

*I know you had remembered me the last time you saw me
I could see it in your eyes; you stared at me spoke to me with them
I knew right then and there
You were going to leave soon; finally be happy; no more drama
Seeing your husband in heaven in the sky*

*God will finally give you your wings
No; no one is perfect
We all made our mistakes
But our Lord is a merciful God;
Confessing and believing John 3:16 will open up the pearly gates of Heaven
Yes, we will all have to complete Our own number 7*

*So my loved one when my time comes to enter into Heaven
I know I will see you smiling with those brown Sedonia eyes
Holding my hand, you and Eugene showing me the way to the light
Helping me to enter heaven, crossover with grace, loving me
Yes, I too will one day complete my own number 7...life's completion...my
eternity in Heaven###imported-begin###Wendy V. Neal###imported-end##*

“ (313) 922-7546 was the only phone number i've ever really remembered. When I was 13 years old i called that number not knowing that my life would take a completely different direction when YOU answered. Thank You Grandma for coming to get me ,I was ready to say yes to the darkness that day ,but Our LORD used you as a beakon of light, help was on its way. Thank you for being my Angel. There was so much love in your home, I know because I was there. I've missed you for a long time, but im so happy your free. VICTORY!!!##imported-begin##JD ALLEN##imported-end##

“ Grandma, where would ANY of your grandchildren be without you. When all else failed and there was no getting through to YOUR children (our parents), we turned to you. As your youngest grandchild, I am so blessed to say that my grandmother was and will always be Mrs. Sedonia Ross. I am happy that you no longer have to be in pain and you can once again be with granddad. I LOVE YOU and will always strive to make you proud.##imported-begin##Dayna Newkirk##imported-end##

“ No matter what age a person dies, it still breaks your heart. When we hear people say Mrs. Ross lived a good old life. Well it's not enough. It's not selfish to say, "I want you to stay". The bible says Jehovah put eternity in our mind. We don't ever want to die. I'm sure Mrs. Ross never wanted that either. Jehovah God made paradise for mankind to live forever. Because of the disobedience of our first parents "Adam & Eve", only imperfect offspring was in the loins of Adam. Rest assured, Jesus told the evildoer hanging on the torture state next to him, "you will be with me in paradise". There were many Jesus resurrected, while he was alive. That was a fore gleam of the grand resurrection that will soon take place. I pray that you will be strengthen with courage to bear the pain that now fills your heart. Throw your burden upon Jehovah, he cares for you. Draw comfort in the resurrection hope. Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##

“ Sedonia:

Although I never had the blessing of meeting you in person, I feel as if I know you through your grandson, John John and your daughters, Monica and Shirley. I always loved hearing your voice on the phone with JD and your kind nature exuded throughout the lines every time I heard you. Most important, I loved your little laugh when we would call you from New York. Your pictures hang in my home, so the children will always know you and Granddad, who I am sure is beaming now that he has you with him, alongside the Lord.

Your spirit, strength and beauty live on in your great grandchildren, Elijah and Gael and their daddy, whom you endeared with so much love over your lifetime and helped make the man he is today, John-John.

We love you Grandma.

“ Momma:

Just wanted to say that I love you, and will truly miss you. I am happy your pain and suffering is gone. You stood by all 7 kids and your husband to the very end. Your last words to me was There Goes My Baby! You don't know how good that felt hearing you say that to me. Still eing able to recognize me when your thoughts were fading in and out. Momma, we couldnt be selfish, God and Daddy wanted you back and it was fair to let you go and be where you were needed. We all love you, will miss you, and you know your beautiful smile, your laughter, your strong support we inherited from you will carry us all throughout our lives. We will now face this world, front and center and try to remain whole as you would want us. GoodBye Momma! We love you, and we all shall meet again.

Love forever, your 6th child
