You loved me as if I was your own, and God truly blessed me by not only giving me a wonderful mother but also a wonderful aunt who loved me equally as much. I know you and my father will be handling business up there with the rest of the family, and I thank you for this wonderful life that you have greatfully influenced. “ We were not fortunate enough to known Mrs. Glenn until after she was ill. She was such a sweet lady and had such a beautiful smile. She was very sharp and when something made her laugh, her face just lited up the room.  
Through the years Linda has told us many stories of her Mother. The theme that remained constant was her Mom's ability to face challanges with class and laughter.  
Linda took such good care of her Mom for so many years. I know Linda will miss her Mom deeply. They were so close.###imported-begin###Marv & Mary Pat Monroe###imported-end##

“ Footprints

*I was walking along the beach with my Lord.  
Across the dark sky flashed scenes from my life.  
For each scene, I noticed two sets  
of footprints in the sand,  
one belonging to me  
and one to my Lord.*

*When the last scene of my life shot before me  
I looked back at the footprints in the sand.  
There was only one set of footprints.  
I realized that this was at the lowest  
and saddest times of my life.  
This always bothered me  
and I questioned the Lord  
about my dilemma.*

*“Lord, you told me when I decided to follow You,  
You would walk and talk with me all the way.  
But I'm aware that during the most troublesome  
times of my life there is only one set of footprints.  
I just don't understand why, when I needed You most,  
You leave me.”*

*He whispered, “My precious child,  
I love you and will never leave you  
never, ever, during your trials and testings.  
When you saw only one set of footprints  
it was then that I carried you.”*

“ Shirley still lives as long as we remember how much she contributed to our lives and to our world. On her behalf and her 4 siblings we are herewith expressing our gratitude and gratefulness for the tenderness and loving care she consistently recieved from her daughter Linda Glenn and her son Ernest Glenn. Their expressions of love are a living testimony that love is not just a word but more importantly an act that is performed dutifully without questions or reservations whenever and wherever there is need. Linda, Ernest, you set a fine standard. Those of us who remain here for the time being want you to know that your maternal aunt and 3 uncles( Carter, Thomas, and Ronald) are here to respond to your needs too, as long as it is God's will.###imported-begin###Carole Ruth Hall###imported-end##

“ To the family of Sis. Shirley Glenn,  
Words can never express the love that she spread during her earthly life. It was always a blessing to have Mrs. Glenn presence in our church family when she visited with Andrea, Matthew and Ernest in Georgia. It was genuinely clear that she was a special lady for so many that gleaned from her faith, love and charity. She blessed me often with her kind words of encouragement.  
Sis. Shirley, you will be missed! God's eternal peace and love.

“ I will never forget the memories at The GM Soul picnics, the infamous " Flat Tire" in the station wagon on our family trip to The Host Inn, The 1st time you met my husband to be ( George) and embraced him like he was already in the family, You spoke so eloquently at Devin's Baby shower, sharing Scripture and instructing us with The Lord's way to raise our children. I remember how you asked if I could leave Paige with you in Detroit when she was just 6 weeks old! I remember the puzzels you liked to put together, I remember the smile on your face whenever Ernest, Linda, Andrea,Matthew and your other family members made you so proud! Your family remembers how YOU, honored The Lord with your Life. You were SO grateful and faithful!
