“ Girl, I was sadden to hear of the home going of your Mom. I must encourage you with these words. And that is that you have NOT lost your Mom, she just went to Heaven(which is by the way a REAL place). I know it hurts and cry if you must. I did when my Father went home to Heaven. It's the separation that causes us the pain. Please remember that we are not without hope as some people are. We are Christians! Therefore we have the hope of glory. That means that we will see our love ones again. God Bless you and I will pray for you and your family. Love you girl, Teresa, Shawndise & Kayla!###imported-begin##Teresa Beachem##imported-end##

“ Shirley:

You will always be my favorite cousin. Thanks for all those Hostess apple pies you'd buy for me when you'd let me stay the summer when I was a young girl. Yep.##imported-begin##Janet L. Thomas##imported-end##
