“ *My brother, it's been almost 8years and the pain is still fresh as if it happened yesterday. There is not a day I don't miss you, and need you to calm down and handle Mom. Things are such a mess. Keep your eye on Linda and show her the ropes. Miss you, and will never forget you.*

“ *Stan,
I cannot imagine your being gone from our lives. This is so hard for me. I was blessed to have you as a brother. Growing up with you gave me memories I will never forget. I wish you well on your journey, and will see you again.*

You will always be alive in my heart.
