“ You can shed tears because he is gone,
Or you can smile because he has lived.

You can close your eyes and pray the he will come back,
Or you can open your eyes and see that he has left to a better
place.

You can be empty because you can't see
him,
Or you can be full of the love you shared.

You can turn your back on tomorrow and live yesterday,
Or you can be happy for tomorrow because of yesterday.

You can remember him and only that he is gone,
Or you can cherish his memory and let it live on.

You can close your mind be empty and turn your back,
Or you can do what he would want, smile, open your eyes, love and
go on.

We all honor the memory of Steven King

With much love
