“ *Steph, Bill...I miss her very, very much..too. Like Pastor Hamilton stated, "When she saw JESUS, she knew she was ALRIGHT". I'm hurtin' each day. Your mother and sister started making her transition last year to clean her soul up to be with the Lord. Steph, Bill..she's at PEACE. Don't give the Devil the victory. I love the both of you.....##imported-begin##Keith##imported-end##*

“ To Stephanie,

I never met you, but your mother often talk about you in her email. Asking me to keep you in prayer.

My God forever keep his loving arms around you and family, giving you the strenght that is needed.

*I Thank her for the words we shared

“ Stephanie, my family and I are praying for you. I rejoice and thank God for allowing us to experience Tonie's beautiful spirit, kind heart and overall spunkiness. She would give me so much motherly advice when we worked together and all she would talk about is her "Punkin" Stephanie and how proud she was of you. I ask that God comforts and surrounds you and your family.###imported-begin##Bianca Pitts##imported-end##

“ Words cannot explain the loss that I feel in the passing of Tonie Parker. Tonie was not only my coworker of 10 yrs at Chrysler, but my good friend, we talked and laughed about everything from relationships, religion, people, & work. I always appreciated her honesty and upfront style of friendship. (a quality that many people lack these days) I am grateful that GOD allowed me to see her one last time. To Stephanie, Billie, and her other sisters, relatives, and friends, I say do not despair, as we can take comfort in knowing that Tonie was saved and is now with GOD...NO MORE SUFFERING!!!##imported-begin##Brian Rogers##imported-end##

“ My prayers and heart goes out to Stephanie and Family. Tonie was a special person who brighten up your day and made you laugh. She helped and encourage me through tough times back when we use to work together in Detroit. She is truly loved and will be missed.(scripture for encouragement and hope: John 5: 28,29)##imported-begin##Karla Childress##imported-end##
