“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ Dear Tonya, my heart is heavy with greif and my eyes fill easily with tears, yet I know you are well care for and in the comforting arms of God and your mom.

I smile remembering the girls' night out to Chene Park to hear some real music- the O'Jays, Dramatics, Luther.... we had so much fun. I am grateful for that time and the many times we shared--our telephone conversations and holiday and summer gatherings. You were alaways about "family".

I will miss you, my sister in law, I love you but God love you best. Rest now###imported-begin###ALTA GORDON Sister in law###imported-end##

“ Quinton, your mother's love will forever be present-- she is eternally in your heart, spirit and soul.

I know you are sad beyond words and perhaps a bit lost without your mom, but she is still guiding you with a whisper in your ear, a touch on your face and a beat on your heart

We are family, your dad, your aunts, counsins-- we LOVE you and are with you today and always. Love you so very much, Aunt Alta###imported-begin###ALTA GORDON - Aunt Alta###imported-end##

“ My dearest older brother Myron, Tonya was blessed by your love and devotion. Quinton, your son is blessing to the union of Tonya and you. I know you are hurting right but you must know that you gave your all and did everything in loving, supporting and comforting Tonya. So go ahead and take as many walks as you need as Tonya does walk with you too.
I love you. Your sister, Alta###imported-begin##ALTA GORDON

“ Quinton,

A mother's love has no time or space. You are and forever will be Tonya's baby boy, her pride and joy.

Know that she understands, and hears when you talk to her everyday. Those memories are your reminders, just her way of saying "I got you babe" May you find comfort and laughter even on the sad days. So let me tell you what my mother told my daughter, which you will learn in time, and I know to be true. "Mama will never leave you". You see- Your Mother-Tonya!-she wouldn't even know how! She's with you, her spirit remains, as your guardian angel now watching your path. Watching and hearing everything you say- watch out now! LOL. So when she tugs on your hair, cause you just let it hang, fear not and remember that's just her way ..sayin "Quinton pay attention!" -so just laugh and say "Hey Mom I hear you, and I'm listening to every word you say". “ Dear My,

Nothing could ever deny the love you two had for each other. A bond that will forever be, her memory lives on in Quinton-Tonya's pride and joy. So as you look back on memories now and those long forgotten, allow yourself to smile, laugh and find peace of mind even though it hurts so bad.

Know that Tonya is at peace. God has her in his care. Know that God's got your back! Always, even if you forget he's there.

So dig deep Big Brother in these next days to come. (we all know that's easier said than done) Find your own Peace, your Faith in God, your inner strength, even the Strength you didn't think was there. My prayers are with you and Q.
