“ *May you be comforted during this difficult time. Treasure the happy memories you've stored in your heart. Death is unnatural, because this was not in Our Grand Creator Jehovah God's purpose. Valerie can rest now. Revelations 21:3-5 encourages us: "God will wipe out every tear from your eyes, and death will be not more". That includes each and every one of your tears. Even Jesus says at Luke 23:43, "You will be with me in paradise". That will be a reality.##imported-begin##Mrs. Malone##imported-end##*

“ I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ Dear Baylock Family,  
I am truly sorry for your loss and want to express my heartfelt condolences. Still at (John 5:28, 29) you can see that the bible assures you that our dead loved ones can be resurrected! If that doesn't take some of the grief you're felling away then please look at (Psalms 34:18) because when we call out to Jehovah God, we see that he will listen and help through whatever we may be experiencing! So don't hesitate to pray to Jehovah God. If you ever want to contact for any reason please do so. E-mail ([octy989@live.com](mailto:octy989@live.com))  
Sincerely,

“ My Deepest Sympathies to Valerie's family and dear friends, my thoughts and prayers are with you all. So sad to lose such a wonderful person. Val and I worked together from the time she started at Michigan National till they let us all go as Bank of America. She was a good friend and I will so miss her. I smile thinking of the many years we laughed and even cried together at the bank. I can't help but think of the time Keith called up the bank and asked me to invite all of Val's friends to a surprise party for her... It was a great Party!(we were all so young then \*smiles\*) Val had a heart of gold, and a true sweetheart. I loved how she would act all though at work. \*smiles thinking about her\* But we all knew better. I will miss you my friend. I know you are in a better place and your looking over your family and friends. Love you Val!

“ May the hope of Psalms 34:18 bring the Baylock family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.###imported-begin###Ariel###imported-end##

“ To Keith and Val's entire family; Val was a very special person. I had the pleasure of knowing and working with Val for 27 years. She was taken from you way too soon. God had bigger plans for her, she is under His wings now and will be forever safe. My sincerest condolences to all of you.##imported-begin##Gail Butler##imported-end##

“ To the Baylock family. I am very sorry to hear about your loss. Although I did not know Ms. Valerie personally I do know the pain and sadness that comes when a loved one passes. We are all looking forward to the time when the Bible promises us at 1 Corinthians 15:26 : "As the last enemy, death is to be brought to nothing." Please accept my heartfelt condolences.##imported-begin##Mrs. Jefferson##imported-end##

“ VI-- I couldn't come on here without saying something to you....

*My 2nd mother, my sister, my friend... You've known me almost my entire life and you and your family have accepted me as one of you... My heart is saddened, shocked, at a loss and still in disbelief... I understand that your work here was done, but Oh, how I will miss you! You are one of a kind, could never be replaced and a void will be felt in the lives of many without you...*

*Until we meet again... Your "sis"*

“ To the Blaylock family, my sentiment and sympathy I send to all of you. I worked with Val at the bank. She was funny, tough, and did not take any wooden nickels. I will always remember what she told me.(don't you want to make some money) I started as a part-timer. Love you Val, REST IN PEACE##imported-begin##Kathy McBride##imported-end##

“ To Val's family and friends - Please accept my deepest sympathies. I was so shocked, but even more saddened, to hear of Val's passing. Val and I worked at "MNB" for 20 + years together. She used to refer to us as "cousins". While I haven't kept in touch with Val since I left "MNB" in 2001, I thought of her. Thinking of her always put a smile on my face as we had some good times and even better laughs together. Val you will be missed a great deal. Love you Val!##imported-begin##Beth Thompson##imported-end##
