“ I miss you so much mommy. Your smile your voice, the feel of my face on your chest. I play with my name like you used to do because for a brief second I sound just like you. There’s so much I want to talk to you about. I’m just wish you were still here with me. I pray everyday that I am making you proud. Mommy I could go on and on but it’s like there isn’t a combination of words that can truly express my love for you; my desire to be in your arms again and just have one of our heart to heart conversations. I’m so happy that you are no longer hurting, that you are no longer in pain. I hear you telling me to put my trust in GOD and I’m working on my relationship with him everyday. Mommy you are so missed. I am so blessed to be able to call you my mother. I LOVE YOU MOMMY!!!
