“ *Paris, I grew up with your mother and for some reason you were my first thought when I heard Venida passed. I remember her pushing you in a baby buggy, oh so proudly, and declaring you would be the cats meow when you became a man! She was speacial and I know how much she loved you. I am so sorry I had not seen her for several years now, but she was only 2 doors away while we were both growing up. God will be at your side. And to her husband, I know this cannot be easy for you after being with her daily, because it is hurtful for me and I had not seen Venida in years. Be strong and try and think of the funny and good times you shared with her. May God be at your side to give you the strength you need at this time.##imported-begin##AvaMarie Latimer##imported-end##*
