“ *To the Family: Please accept my sincere condolences on the loss of your mother. Although I didn't know her personally, I can certainly relate to your pain because I, too, lost a beautiful mother some years back and I can attest to the fact that mothers are very special people. However, my heart and mind has been comforted over the years with God's promises for He has assured us through His Word, that our dead loved ones will live again by means of a resurrection (Acts 24:15) Jehovah God has also promised that He will destroy death forever and dry all our tears of sorrow(1Corinthians 15:26, Isaiah 25:8). My tears of sorrow have already been 'dried'. I now joyfully and eagerly await the fulfillment of His promise of seeing my mother again, because see, our mothers are no longer in our past, but are in our future..just ahead. Shortly, they will hear the Master's voice and will awaken from death's sleep at his command (John 5:28,29). He knows how much our mother's mean to us and he desires to restore them to us because he cares for us (1Peter 5:7). May Jehovah God's Word of Truth bring you comfort and sustain you, just as it has done for me over the years. Rest assured He will do all that He has promised for He cannot lie (Titus 1:2) Do you believe this? (John 11:25,26) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##*

“ Hello, Greg, Debbie, and Alex

*We have known each other since we were children on Robson. Ms. Maxwell was like another mother to all of the Robson gang. She was very much loved and very kind. The world will miss a special woman but heaven is gaining a special angel. God be the Glory.*

*I pray that you all remain strong and peaceful in the Lord. Remember, He knows what you are going through, therefore, He bottles every tear that you cry.*

*Love you,*

“ I send my deepest sympathies and condolences to you all. I was glad I had the chance to see Aunt Vennie within the past year and share some memories and smiles. She respresented grace, respect, family values, and love to keep us on the right path. I'll remember her voice and her smile and hold her memory close to my heart. Be strong together.  
Love you,
