“ *I have some many memories of Auntie and uncle. I used to love to see them drive up to the house in those big Lincoln town cars. They were a wonderful couple and they are both missed.##imported-begin##Caria "Sharky" Curtis-Little##imported-end##*

“ I will truly miss my Aunt Versie, I never never my own Grandmother Ethel Lee Liddell-Taylor. But just watching Aunt Mary, Aunt Lucy and you Aunt Versie gave me a clue to what she was like. Aunt Versie I thank you for giving all the relative who came to Detroit from Mississippi a place to call home. As kids I remember every Easter Sunday ALL family member's had to come to your church with Uncle Livingston and you. Every time it was a death in the family you were always there for comfort. You have gotten your wings and your heaven bound, you leave to your neices and nephews to carry your legegacy to carry on to the next generations behind you. The last time we talk you said you wanted to go home so you could check on your mother, your home Aunt Versie. I take comfort in knowing you are safe with her. I will truly miss you Aunt Versie. See you in Heaven.##imported-begin##Deborah Taylor##imported-end##

“ I have so many memories of my great aunt. I was always known to her as her Hollywood. She always told me that I needed to be there. Even when she started getting sick, I ask her, Aunt Versie do you remember me, she said, yes, you are my Hollywood. I will always love her and miss her and thank you for believing in me with that soft sweet voice...Bon Voyage Aunt Versie##imported-begin##Mack D Liddell, Jr.##imported-end##

“ May the hope at Isaiah 25:8 bring the Livingston family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##
