“ *To the Davis Family: Please accept my sincere condolences on the death of your loved one, Ms. Verta Lee. Although I didn't know her personally, I can certainly relate to the 'grandmother' relationship, for I too, had a beautiful grandmother and I was very close to her. Death, at any age, is a true enemy of mankind because it separates us from those who are so special to us and leaves us devastated! God created man to live, not die which is why Our Loving Heavenly Father has made provision to wipe out death forever! (1Cor. 15:26). He also assures us that soon He will wipe out every tear from our eyes and DEATH will be no more (Revelation 21:4) In the days and weeks ahead as you recall many fond and precious memories of your loved one, rest assured that she is in God's memory too; and that soon, God will remember her and she will awaken, to life again, at His command (John 5:28,29; Job 14:14,15). This is God's promise to all mankind sleeping in death. It is these thoughts that have comforted me as we all await the fulfillment of His promises. Rest assured, the God of Truth will do all that He has promised (Titus 1:2) My Deepest Sympathy.##imported-begin##joyce jones##imported-end##*

“ Grandma you was always there for me and protected me from whippings. Even though I deserved to get the whippin.

When we couldn't have the dog you let me keep it at your house. Even though you knew I couldn't take it home, you let me have it anyway.

Sometimes when my Daddy would give me a whippin I would call out your name!

When I was down and out and had no place to go, I asked you to pray for me and you did and told me everything would be OK, it was just as you predicted. I got a good job and was blessed ever since. Me and my wife (Tiwana) brought you fresh caught fish from the Detroit River because we knew how much you loved to cook and eat it.

I will never forget your love and the memories will stay with me and my family FOREVER.

Love Always Herman Davis III
