“ Be strong and act as if she were still there, do everything just as she would have had you and continue to be prayerful in all things. Violet was a deeply spiritual woman. We talked often about things you would not imagine. Most of all, she talked of her dreams for her "babies." We were blessed to have shared the life of such a wonderful person. She will be missed.##imported-begin##Wilma R Allen##imported-end##

“ Let me first express my sympathy for your loss. I've worked with Violet for two years now and had to let you know how much I'll miss her. She could always make me laugh when I was sure I'd start crying, was always pleasant and friendly and become someone I loved to talk with. I believe she's in a better place and frankly I'm a little jealous of God for having her company now. Just know that she will be missed a great deal. Best wishes to you and your family.##imported-begin##Lona M. Doba##imported-end##

“ I have only known Violet for a few weeks in my position as the new district Manager at Greydale where she was employed. When I first met her, I was so impressed with her work habits. She was so organized and pride herself on giving excellent customer service. She was indeed a model employee and I knew it from day one. My deepest sympathy to the family. Remember, God is still in charge.##imported-begin##Georgia Cambell##imported-end##

“ God Bless you Violet and your family left behind. The bible says we die daily and little did we know He'd call you home when He did. You left us all in shock and dismay! Questions of How?, Why?, Why now? But the bible says His ways are not our ways and His thoughts are not our thoughts as his thoughts and ways are higher. We all will meet the Father and He and only He will determine judgement alone. Absent from the body but present with the Lord. God bless and we love you and will miss you and your spirit around this place, your friend and co-worker, Phyllis##imported-begin##Phyllis McElroy##imported-end##
