“ *I miss her desperately. Waking up with her not being in her room, makes my day feel so incomplete. How do I go on without her ?

“ *Great Grandmother,
Although we were not close and it has been many years since I have seen you, there was not a day that went by that I did not think of you. Of the memories I have of you, they are nothing but warm and pleasant. I just wish you were able to meet my daughter, your great-great granddaughter, before you departed this earth. Hopefully you can smile down upon us from heaven and watch over the little one is our family, Amiere and Autumn. Love you dearly.
Rest in Heaven.##imported-begin##Alexus##imported-end##*
