“ *Dear Aunt Dorothy and Uncle Charles,*

*I'm so sorry to hear that Fay passed away. When I close my eyes, it is amazing how fresh the memories are of special relatives and the times we spent together. I can picture all of us gathered over on Cloverlawn the sounds, laughter, playing and food. The spirit of God that enhances these wonderful memories helps me realize that time nor distance, circumstances nor condition can break our spiritual or family connection. I hope remembering all those special moments, scents or sounds will help all of cousin Fay's friends and family keep her near and dear. We are united by the spirit of God that is our eternal connection.*

*God Bless and keep you Fay. God Bless and keep us  
all!##imported-begin##Margaret Ann##imported-end##*
