“ I am so sorry about Wendy's demise. We went to Elizabeth Courville School together in Conant Gardens. Although I havent seen her since our childhood days I have recently thought about whrer she was, and to see her picture she looks just like she did in school. Family you have my prayers and deepest sympathy.

“ My sincerest regards to Wendy's family. Wendy and I were high school friends. Unfortunately, she and I did not have a chance to see each other as I just recently returned to Michigan. But, I will always remember her as a warm caring person. In fact, I don't think I ever saw her without a smile on her face. I can assure you that you will find peace and comfort when you recall all the memories of her life.##imported-begin##Amelia Watson##imported-end##

“ I am so sorry to hear about the loss of your wife and mother. I had the pleasure of having Ronnie in my class for Kindergaten and 3rd grade and developed a close relationship with the family. My prayers are with all of you at this most difficult time.##imported-begin##Jill Eisenberg##imported-end##
